Local train enthusiast, Tim Todd, will make a presentation about the Mississippi River & Bonne Terre (M.R. & B.T.) Railway that serviced the St. Joe Lead Company and the town of Herculaneum.

The M.R. & B.T. Railway was built in 1890 by the St. Joe Lead Company to transport lead ore from the mines in the Lead Belt area of Missouri to the St. Joe Smelter in Herculaneum. Until 1929, four passenger trains carried commuters from Bonne Terre to St. Louis. The trains also transported mail along the route.

Several pieces of M.R. & B.T. Railway memorabilia will be on display at the meeting.

The meeting is open to all residents of Herculaneum and the surrounding communities.

For those who do not know, the town of Herculaneum served as the first county seat and was home to the first county court. Herculaneum was also the home to the first post office in Jefferson County.

Yard waste must be placed in paper yard waste bags. Yard waste can also be placed in cans that are clearly marked YARD WASTE. No plastic bags will be accepted.

Limbs for pick up must be bundled together and can not be longer than 4 feet in length.

For more information, please call 636 475-4447.

**SNOW REMOVAL ON CITY STREETS AND ROADWAYS**

Now that the winter months are upon us, Mark Johnson, Public Works Supervisor, reminds all Herculaneum residents to refrain from parking on the city streets and roadways during days of inclement weather (snow and ice). The removal of snow from the city streets is greatly impeded when vehicles are parked on the streets and roadways.

It is extremely important that the streets be cleared for the passage of emergency vehicles, delivery trucks and the daily commutes by the residents.

The City of Herculaneum and the Public Works Department greatly appreciate your cooperation with this request.

**JEFFERSON COUNTY, MISSOURI TO CELEBRATE  
BICENTENNIAL IN 2018**

Jefferson County, Missouri, was organized by an act of the legislature of the Territory of Missouri and approved on the 8th day of December 1818. The committee will be responsible for the promotion of the bicentennial in the county through various activities, events and memorabilia.
