SNOW REMOVAL ON CITY STREETS AND ROADWAYS

Now that the winter months are upon us, Mark Johnson, Public Works Supervisor, reminds all Herculaneum residents to refrain from parking on the city streets and roadways during days of inclement weather (snow and ice). The removal of snow from the city streets is greatly impeded when vehicles are parked on the streets and roadways.

It is extremely important that the streets be cleared for the passage of emergency vehicles, delivery trucks and the daily commutes by the residents.

The City of Herculaneum and the Public Works Department greatly appreciate your cooperation with this request.

BULK ITEM COLLECTION: Bulk items will be picked up on each Tuesday. You must contact city hall before the end of business on Monday for pickup. Items that will not be collected include tires, car parts, motors, oils, broken glass, hazardous materials and paint cans. Appliances require a \$10.00 sticker for pick up that can be purchased at city hall. All Freon and gasses should be professionally removed. Bulk items must be set out by 6:00 am on Tuesday morning.

HOUSEHOLD WASTE: Household waste needs to be placed out for collection every week by 6:00 am on the designated collection day for your area. Household waste should be placed in bags as much as possible. If the driver puts your cart in a different place than where you placed it, he's trying to tell you that's where it is best to service. Utilize the Tuesday bulk pickup for large items. Household waste totes should be placed curbside by 6:30 am on your collection date.

RECYCLABLE MATERIALS: Utilize the City of Herculaneum's recycling program to reduce the volume of trash. The city's trash hauler provides covered recycle totes. Recycle notes can be obtained by contacting the Herculaneum Water Department at 636 479-3777. The collection of recyclable materials is on Monday of each week. Recycle totes should be placed curbside by 6:00 am on Tuesday.

Complete household waste, bulk item, yard waste collection and recycle information can be found on the city web site - www.cityofherculaneum.org or by calling the Herculaneum Water Department at 636 479-3777.
