HERCULANEUM FIRE DEPARTMENT OPEN HOUSE

The Herculaneum Fire Department will host their annual Open House on Wednesday, October 11 from 6:00 pm - 8:00 pm. The open house is being held in conjunction with National Fire Prevention Week - October 8-14. The theme for Fire Prevention Week 2017 is "Every Second Counts - Plan 2 Ways Out".

The open house will feature fire truck rides, station tours, and equipment displays. Survival Flight will also have a air rescue helicopter on display. Fire prevention and safety materials for children and adults will be available for those in attendance. Visitors during the open house will be registered for attendance prizes. Light refreshments will be available.

The open house is open to all residents of Herculaneum and the surrounding communities.

IN A FIRE, SECONDS COUNT! SECONDS CAN MEAN THE DIFFERENCE BETWEEN RESIDENTS OF OUR COMMUNITY ESCAPING SAFELY FROM A FIRE OR HAVING THEIR LIVES END IN TRAGEDY.

That's why this year's Fire Prevention Week theme: "Every Second Counts: Plan 2 Ways Out!" is so important. It reinforces why everyone needs to have an escape plan. Here's this year's key campaign messages:

- Draw a map of your home with all members of your household, marking two exits from each room and a path to the outside from each exit.
- Practice your home fire drill twice a year. Conduct one at night and one during the day with everyone in your home, and practice using different ways out.
- Teach children how to escape on their own in case you can't help them.
- Make sure the number of your home is clearly marked and easy for the fire department to find.
- Close doors behind you as you leave – this may slow the spread of smoke, heat, and fire.
- Once you get outside, stay outside. Never go back inside a burning building.
